

25 September - 29 September 2018

The joint 14th iCACGP Quadrennial Symposium/15th IGAC Science Conference ([iCACGP-IGAC 2018](#)) offers a program for Early Career Scientists aimed at fostering professional relationships and collaboration among the next generation of researchers. **All** students and scientists within three years of completing their PhD are invited to participate in the events.

Early Career Scientists will have the opportunity to attend multiple events throughout the week of iCACGP-IGAC 2018:

- Early Career mixer
- Talks focused on a variety of career skills
- Lunch with established scientists
- Early Career meet-up room
- Excursion
- Poster and oral presentation competition

Make the most out of iCACGP-IGAC 2018 and participate in the Early Career Program! Visit the [2018 iCACGP-IGAC Early Career Program](#) for more information.
